Sight Word Memory

Number of Players: Two

Materials: Two sets of Sight Word Memory Cards

Procedure:

1. Place all sight word cards face down on a table in an array.
2. Players take turns flipping over two cards at a time. The player must read the word on each card.
3. If the words are the same, the player gets the match and another turn. If the words are not the same, it is the other player’s turn.
4. The game is over when all cards have been matched.

Object: The player with the most matches wins the game.
