

Service-Learning Planning

This chart helps you plan your service-learning project for maximum impact.

Component	Activities	Who, What, Where?
<p>Investigation (What do we need in our community, and how do we know it is a need? What statistics show this is a need? What is our expected outcome and how will we measure it?)</p>		
<p>Preparation (How can we meet this need? What resources do we have and need? How will we execute our project? What partners can we engage? What is our budget?))</p>		
<p>Action (Follow safety precautions, show respect and follow the plan, and take an active role. Take notes and pictures to document.)</p>		
<p>Reflection (What is going well? What improvements can we make? How did this help our community? How do I feel about the process and impact?)</p>		
<p>Demonstration (Create a presentation to show others the good that we have done!)</p>
