

Diversity

What would it mean to have a diverse YAC or youth philanthropy group? Why should we seek to proactively engage, understand, and draw on a variety of perspectives?

Equity

As youth grantmakers and philanthropists, how can we acknowledge that barriers and advantages exist? How can we act upon this information to ensure access to the same opportunities and an environment of respect and dignity?

Inclusion

How can we create a positive experience for those who are the minority within YAC or your youth philanthropy group? What barriers stand in the way of building a culture of belonging?
