Student Reflection on Philanthropy and Service-Learning

Write your thoughts and definitions.

1. What is volunteering?

2. Define philanthropy.

3. Name a nonprofit organization in your community.

4. What does a nonprofit do that is different than government or a business?

5. Describe two or more things young people can do in society to make a positive difference.

6. What issue(s) would you like to impact with your volunteerism or voice? What needs do you see that touch your heart?
