

Historic Nonprofits Questions and Storyboard

Select an organization from the Historic Nonprofit Website handout to research. Answer the questions below and illustrate the answers on the storyboard. The numbers on the storyboard correlated to the question numbers. Be prepared to share and explain your storyboard with the large group.

All of the organizations listed have acted as an alternative power source in American society to improve conditions for the common good.

1. Name of organization.
2. When was the organization created? Is it still active?
3. Why was the organization created? What is its purpose? Who does it advocate for?
4. How does this organization react to violations of human dignity involving discrimination, persecution and crimes against humanity to improve conditions for the common good?
5. Who is one of the most famous or influential members of this organization? What contributions did this person make?

1.
