How do you define philanthropy?

# Take Action for the Common Good

*Never Give Up!*

*An unexpected smile can brighten anyone's day.*

What are some things we can say to others to bring a smile to their faces, help them when they are struggling with a problem, or make the classroom a cooperative place?

*Look for the bright side.*

*You belong here.*

# Words Are Tools of Change

*“Whatever the problem, be a part of the solution.”*  
— Tina Fey

“The best way to not feel hopeless is to get up and do something. Don’t wait for good things to happen to you. If you go out and make some good things happen, you will fill the world with hope, you will fill yourself with hope.”  
— Barack Obama

*“Be the change you want to see in the world.”*  
— Gandhi

*“I have a dream.”*  
— Martin Luther King, Jr.

*“In a world where you can be anything, be kind.”*  
— unknown

“Unless someone like you cares a whole awful lot, nothing is going to get better. It’s not.” — The Lorax

# Service Project:

Decorate a stone with a positive quote or encouraging word and place it inside or outside of the school for others to find and get encouragement from.
