

Basic Right Role-Play

Use the internet to identify at least one nonprofit organization that works to honor or violate the group's assigned basic right. Then create and act out a role-play to demonstrate the relationship between the nonprofit organization and the basic right.

ROLE PLAY PLANNING

Group's assigned basic right:	
Name a nonprofit organization that works to honor or violate the basic right:	
Explain how the organization either honors or violates the right.	
Describe the plan to role-play an example of the nonprofit honoring or violating your assigned basic right.	
For each of the other four basic rights role-plays, answer the following questions. 1. What was the right shown in this role-play? 2. Was the right violated or honored in this role-play? 3. How did this group show the right being violated or honored in this role-play?	Right #1 Right #2 Right #3 Right #4
