

Building Blocks of a Community

Building Blocks of a Community

1. What are the benefits of working toward the Common Good of a community?
2. What are the opportunity costs of working toward the Common Good of a community?
3. What consequences does a community face due to missing elements?
4. What would it take to be a hero in your community?
5. What is your role as a citizen of your school community?
6. What philanthropic action can you take in helping to “build” your school community?
