

# Cinderella Project Individual Cards

Time—Talent—Treasure—Time—Talent—Treasure

Dear Families,

This month, our students will be introduced to the Cinderella tales across a variety of cultures. Through this literature study, students will learn about giving of their time, talents and treasures to help a cause.

A service learning project called, "Cinderella Project" will allow students to demonstrate an understanding of selflessness and the motivation for giving by organizing a "shoe drive" for children in need. The students will engage in philanthropy by giving of their time, talents and treasures and encourage local businesses and sponsors who believe in our project to do the same.

If you would like to be involved in donating your time, talents or treasure to the Cinderella project, please contact me at \_\_\_\_\_ . You can also stop in or send a note with your student to school. Looking forward to working with each and everyone of you and your children.

Sincerely,
