

# Civic Virtue Worksheet

Group Members \_\_\_\_\_

Civic virtue means putting the common good of the community ahead of immediate, personal concerns.

**Directions:** With this definition in mind, discuss with your group how a middle school learner can practice the idea of civic virtue at school, at home and in the community. Record your examples on the table below.

| School | Home | Community |
|--------|------|-----------|
|        |      |           |
