

Compare Roles and Values Guide

Describe six situations in which you practice different roles. List at least two values or beliefs that affect how you act in that role and situation. In the last column briefly describe the origin or background of those values (what or who influenced you to hold that value or belief as important in that situation/role).

Situation/Role	Values/Beliefs	Origin or Background of Values/Beliefs for Situation
Example: School/Student	persevere, community	1st grade teacher, coach
