

Crayon Waste at Local Restaurants

Use this chart to identify the best collection spots for crayons that are thrown away.

Go to www.crayoncollection.org/restaurants.html to learn more. Call local restaurants and complete the chart. Then discuss where to drop off and pick up collection boxes.

Restaurant Name	Location	How many crayons do you go through in a week?	What do you do with the crayons after one use?	Are you willing to put a bin for collections in your restaurant?	Notes

Discussion:

Which restaurants are the best candidates for drop-off/pick-up crayon bins?
