

## **Excuses, Excuses**

Below you will find the excuses that people often use:

It's not my fault, I didn't make this mess.

It's too much work, isn't there an easier way?

I'm too tired, maybe after I get some rest.

I'm only a kid, isn't this something adults should be doing?

I'm too busy with things I consider more important.

It's not my turn I already did this once.

It's not my problem/responsibility why should I get involved?

I'm not good at it, let somebody who is do it.

I don't feel good maybe after I feel better.

Nobody else has to do it why me?

I forgot, sorry.

I don't know how maybe if someone showed me what to do.

It's too hot/cold maybe when things cool off/warm up.

Nobody told me I had to do it.

It's not fair I always get stuck with it.

I'm a boy/I'm a girl and this isn't a boy/girl thing.

It's too boring I don't see any point in doing it.

I just don't feel like it don't bug me right now

It's not cool, I don't want my friends poking fun of me.

Can you add any others you have used or heard others use?
