

# Historical and Contemporary Latino Philanthropists

Directions:

We have many American models of philanthropy in the Latino community, both past and present. Use the links below, and other resources, to identify historical and contemporary Latino philanthropists who match the criteria listed in the table. In the grid below, write names of the philanthropists you learned about and why you placed them in the boxes where you decided they fit.

Sample resources for examples of Latino philanthropists:

- Hispanic Heritage Month Pay It Forward Challenge: Recognizing students making a difference
