

# Homework

In class tomorrow, we will be creating posters that promote our service-learning project of raising money to feed people who are hungry. We need images cut from magazines or the newspaper to decorate our posters.

1. Please bring to class tomorrow at least one picture that may go on that poster. It may be related to hunger, food, or money.
2. In addition, please bring one cutout of a food item for a nutrition activity.
3. Please also reflect on the following question: What words or slogan could we use to tell others to give loose change to fight hunger in the world?
