

Information about Nonprofit Opportunities

Please answer the questions and/or take notes about opportunities in the nonprofit work force. This information will help you create a character that works at a nonprofit organization.

SPEAKER:

Nonprofit organization:

Why is it considered a nonprofit organization?

What benefits does it provide for the community?

What is the good or service the organization provides?

Is the good or service produced by human capital, natural resources, or capital equipment?

How many people are employed by the organization?

What other positions do people hold at the organization?
