

# Instruction Manual Pre-write Sheet

- 1. What part of the garden are you helping Adam work and watch over the land?
  
- 2. On the left side, write at least five items that this part of the garden needs to survive. Directly across from each item (on the right side), write what YOU need to do to make sure that these five items are in the garden (Example: Trees need water.)

What a Garden Needs	What I need to do

- 3. On the left side, write at least five items that this part of the garden CANNOT have in order to survive. Directly across from each item (on the right side), write what YOU need to

do to make sure that these five items are NOT in the garden. (Example: Trees cannot be near fire. I have to keep matches and candles out of the garden.)

What a Garden CANT Have	What I Need to Do

4. Make a list of instructions for Adam. Make one instruction for every idea you wrote in Question 2 and Question 3. You should have 10 instructions all together.

*\*Write all instructions based on Section 2 by filling in the blanks in this sentence.*

In order to \_\_\_\_\_,

you must \_\_\_\_\_

\_\_\_\_\_.

*\*Write all instructions based on Section 3 by filling in the blanks in this sentence.*

In order to prevent \_\_\_\_\_,

you must \_\_\_\_\_

\_\_\_\_\_.

5. As a title for your page of the instruction book, write the part of the garden that you wrote in Question 1.

6. Underneath your instructions, make an illustration of your part of the garden.
