

Let's Look Around Survey

Directions: As a class, list the topics to be surveyed in the far left column. When conducting the survey, put a check mark in the appropriate column each time a person selects a topic as their main area of concern for which something needs to be done. In the far right column, briefly describe the interviewee's concern.

Topic	Number of Times mentioned	Specific Concern
Environment		
Animals		
Health		
Education		
Social
