

## Letter to Parent/Guardian

Dear Parents and Guardians,

Our class is participating in a service project for which we have decided to donate \_\_\_\_\_ to our friends at \_\_\_\_\_.

In order to make this possible, please assist your child in gathering items that can be donated for our project.

Additionally, by signing below, you are giving consent to your child to donate these items.

Thank you for your assistance!

Sincerely,

I give permission for my child, \_\_\_\_\_ to donate items for a good cause!
