

Literature Group Discussion

Name _____

Title of Book _____

Directions: In your literature group, discuss the following questions as they relate to the book you read. Take notes and be ready to share these notes with classmates who haven't read the book.

What wild animals are able to dwell/live in the city?	
What makes wildlife wild?	
What do wildlife creatures need to survive?	
How can humans create and maintain a healthy relationship with city wildlife?
