

# My Conclusions Worksheet

Now that you understand the pros and cons of credit, apply it to your life.

Are you a Good Credit Candidate?

The three C's  
My Conclusions

Comparing the People and Their Money Pie Chart with My Money Pie Chart:

1) In general, I think that the percentage of money other people spend is  
Higher      About the Same      Lower  
than what I spend. I think this might be true because:

2) In general, I think that the percentage of money other people save is  
Higher      About the same      Lower  
than what I save. I think this might be true because:

3) In general, I think the percentage of money other people invest is  
Higher      About the same      Lower  
than what I invest. I think this might be true because:

4) In general, I think the percentage of money other people donate is  
Higher      About the same      Lower  
than what I donate. I think this might be true because:
