QUESTIONS TO CONSIDER WHILE DRAFTING A MISSION STATEMENT

What traditions/beliefs/practices from my culture influence my attitudes about giving and serving?

What are the current societal trends and community needs that influence my attitudes about giving and serving?

What are the core values and beliefs that are most important to me?

Three core values or beliefs I could write next to my name (like a job title or academic credentials):

- 1.
- 2.
- 3.

Which community/world needs or problems do I spend the most time thinking about?

To which human needs am I particularly sensitive?

What are issues that I would most like to influence or change?

What are the skills and talents that I have or would like to develop that could best address the needs or problems in the world?
