

My Personal Pledge/Commitment to Recycle

Using this format as a guide, type or handwrite your personal commitment statement.

I _____ (name)

- having had an opportunity to explore a number of web sites, my two favorites being web sites with the following URLs:

1.

2.

- having been involved in conducting surveys and drawing inferences from these surveys that would indicate

- having been reminded that recycling is one way to show that I am a responsible citizen and a steward of our earth's natural resources for the common good, which I understand to mean

- and, having been involved in efforts to motivate others to recycle as well as actively involved in a hands-on month long recycling project,

be it resolved that I (name) pledge to myself and for the common good, that I
