

# Planning a Service Project

## Planning a Service Project

<p>Investigation</p> <p>(Why do we need to be concerned about food waste in our homes, school or community? How do we know this is a need?)</p>	
<p>Preparation</p> <p>(What are the tasks, who will do them and when?)</p>	
<p>Action</p> <p>(Who can help us? What supplies or money do we need? How can we get them?)</p>	
<p>Reflection</p> <p>(How do we feel about the service now, while we are doing it, and after completing it?)</p>	
<p>Demonstration</p> <p>(How can we tell others what we have done? Who do we want to tell?)</p>
