

Pre- and Post-Event Reflection Evaluation

Learner's Name _____

Final Evaluation for Pre Reflection

Score	Criteria
4	The learner completely filled in the chart and answered questions 2 and 3 with answers that showed thoughtfulness and insight.
3	The learner filled in most of the chart and answered questions 2 and 3 but the answers did not reflect careful reflection.
2	The learner completed a portion of the task but the work reflected haste and little thoughtful consideration.
1	The learner did very little of the assignment and gave it little, if any, thought.
0	The learner did not attempt the assignment.

Final Evaluation for Post Reflection

Score	Criteria
4	The learner completely filled in the chart and answered questions 2, 3 and 4 with answers that showed thoughtfulness and insight.
3	The learner filled in most of the chart and answered the questions but the answers did not reflect careful reflection.

2	The learner completed a portion of the task but the work reflected haste and little thoughtful consideration.
1	The learner did very little of the assignment and gave it little, if any, thought.
0	The learner did not attempt the assignment.

Your Score: _____ points
