

Presentation Suggestions

Use of presentation computer software to create a slide show about the philanthropist or organization.

Write a brief skit portraying an incident from the persons' life that exemplifies their actions and beliefs.

Create a mock interview with the philanthropist or member of the organization.

Write lyrics about the person to a familiar melody, or create a rap about the person or organization, teach it to the class explaining the significance of the lyrics.

A group panel discussion, each group member participating.

A "Jeopardy like" quiz show-research group giving the answers, class "guessing" the question.

Create a crossword puzzle with facts about the philanthropist or organization, to be completed as a whole class activity.

Create a poster about the person or organization and explain the details.
