## Project Plan Sheet

### Part I: Brainstorming

Think of categories of people in your community who would benefit from acts of kindness. (Such as elderly, sick, homeless, etc.) List as many as you can think of. When you have FINISHED your list, circle the one that you would like to help with your tikkun olam project:

### Part II: Class Workshop

Your classmates will help you think of an organization or group in your community that helps the category that you have chosen (such as specific nursing homes, schools and hospitals that are nearby). They will also help you think of project ideas. Write their ideas here. After all groups have finished their workshops, circle the organization and project that your group chooses:
