

## Putting it All Together

Collaborate with your team answer the following questions regarding each of the 3 sets of articles.

1. Where is the problem taking place?
2. What is the negative human action? (cause)
3. What is the potential for this problem if it is not corrected? (effect)
4. What (if any) is the positive human action (acting for the common good)?
5. What additional actions could be taken in order to improve this situation?
6. On the back, explain why people would might give time, talent, or treasure to benefit this cause.
