

Sustainable Development Goals Project Report

Group Members:

Describe the action you took to address the needs of the SDG your team selected.

How do you feel about your action and the actions of your group? What was the impact on you?

What does being altruistic feel like?

How do you feel about the plan and its impact? What was the impact on the community, world, or issue? Note: If you want to share what you did with the ENTIRE WORLD, you can share your action on this site, "The World's Largest Lesson Plan"
