

Send Your Love

By Sting

(Partial Song Lyrics)

Finding the world in the smallness of a grain of sand
And holding infinities in the palm of your hand
And Heaven's realms in the seedlings of this tiny flower
And eternities in the space of a single hour

Send your love into the future
Send your love into the distant dawn

Inside your mind is a relay station
A mission probe into the unknowing
We send a seed to a distant future
Then we can watch the galaxies growing

This ain't no time for doubting your power
This ain't no time for hiding your care
You're climbing down from an ivory tower
You've got a stake in the world we ought to share

You see the stars are moving so slowly
But still the earth is moving so fast
Can't you see the moon is so lonely
She's still trapped in the pain of the past

This is the time of the worlds colliding
This is the time of kingdoms falling
This is the time of the worlds dividing
Time to heed your call

Send your love into the future
Send your precious love into some distant time
And fix that wounded planet with the love of your healing
Send your love
Send your love
