

Service Project Commitment

Service Project Commitment

We, the undersigned learners, fully commit to work to address a social injustice/need for the common good by completing a self-created service project.

We, the undersigned parents/guardians, support our learner's actions to address a social injustice/need for the common good by completing this service project.

I, the undersigned teacher, fully commit to support and assist my class's efforts to address a social injustice/need for the common good by completing this service project.
