

Storybook Pre-write Worksheet

Name: _____

Date: _____

Directions:

Use this worksheet to help you plan our story. Answer the questions as completely as you can.

1. What natural resource will your story be about?

2. How does this natural resource help humans?

3. Where will your story take place?

4. Who will the other characters in your story be?

5. What will they do to show that they do not appreciate the natural resource at the beginning of the story?

6. How will the middle of the story teach them to appreciate and take responsibility for the natural resource?

7. How will your story end?
