

The Amendment Song

The First Amendment of the Constitution says

The Second Amendment of the Constitution says

The Third Amendment of the Constitution says

The Fourth Amendment of the Constitution says

The Fifth Amendment of the Constitution says

The Sixth Amendment of the Constitution says

The Seventh Amendment of the Constitution says

The first part of the Eighth Amendment says

The second part of the Eighth Amendment says

The Ninth Amendment of the Constitution says

The Tenth Amendment of the Constitution says

The rest of the Amendments of the Constitution say

Credit should be given to screenwriter Douglas McGrath for the brilliant mnemonic device he devised to remember the Constitutional amendments in the 1993 version of the film "Born Yesterday" on which this version was based.
