

The Facts

Research the causes of homelessness and facts about people who are homeless.

Here are some sites to get you started:

National Coalition for the Homeless <http://www.nationalhomeless.org/index.html>

End Homelessness.org <http://www.endhomelessness.org>

54 Ways You Can Help the Homeless <http://www.earthsystems.org/ways/list.html>

Record the information you found.

What are some reasons that people are or become homeless?

How many people are homeless in your region? In the nation?

What are some of the needs of people who are homeless?

What are five national and local organizations (nonprofits) working with the homeless?

What are some challenges they face in addressing the issue?
