

The Word for Me Is Philanthropy

I can give my time away,
Be kind in what I do and say.
I can give my talent away,
Helping and sharing come what may.
I can give my treasure away,
Giving money is okay.
If you listen to what I say,
Philanthropy is there in every way.
If you care about the common good,
Philanthropy is understood.
Say it again! Say it loud!
PHILANTHROPY MAKES ME PROUD!
