

# Total Maximum Daily Load

Investigate the Total Maximum Daily Load (TMDL) Program of the EPA. With a partner, go to the EPA.gov website and search for TMDL. Click on the region or state of interest to you shown on the map. Find an area of concern for the body of water you select. In the space below list the areas of concern regarding this body of water.

Watershed Name: \_\_\_\_\_

Water Body Name: \_\_\_\_\_

Area(s) of Concern:

---

---

---

---

---

---

Present the data from your research in the form of a pie chart, bar graph, or line graph to indicate the type(s) of pollution. See sample key below.

Graph Key:

bluegreen: PCBs

yellow: Fish and invertebrate communities rated poor

blue: Untreated sewage discharges

violet: Dissolved oxygen
