

Typical Day Off

<p>Your task is to plan out a schedule for an upcoming non-school day. Each activity you record will be planned for an hour of your time. If you plan to engage in an activity that takes more than 1 hour, you may repeat the activity in an additional block. An Example: Going to the movies with friends would take 2 time blocks.</p>	4pm
9am	5pm
10am	6pm
11am	7pm
12am	8pm
1pm	9pm
2pm	10pm
3pm	11pm
