

Rules

1. VING is all about teens empowering others. To nominate someone for a VING, make sure you are:
 - 14-18 years old
 - US resident
2. The VING project was created to support individuals experiencing a financial hardship. In the spirit of 1-to-1 giving, each VING submission must be for one person/recipient only, however individuals or teams of students may create and submit an entry together when all team members have a relationship with nominee.
3. Make sure your nominee meets the VING criteria. They should be:
 - 18 years or older
 - US resident
 - Someone experiencing a financial hardship
 - Outside of your immediate and extended family
4. Once submitted, the VING Team will review your VING video nomination. All applicants will hear back from VING within 30 days on the selection status of their nomination.
5. Only one entry per student, whether individual or group participation, per 30 days. If not selected, teens are welcome to apply again with a new VING idea. Selected teens cannot reapply to VING again.
6. Applicants grant permission to the VING project to use their names, likenesses and entries in various media to help spread the #VINGproject mission of empowering teens to help others.
