Name: \_\_\_\_\_

Date: \_\_\_\_\_

As you know, it is each person's responsibility to help work and watch over the land. Using what you learned from making your instruction manual and planting your garden, list at least five ways that you can fulfill this responsibility:

1. \_\_\_\_\_

2. \_\_\_\_\_

3. \_\_\_\_\_

4. \_\_\_\_\_

5. \_\_\_\_\_

Choose one of your ideas and do it within the next week. Afterwards, write two sentences explaining how it felt to take care of your land.
