

What Is a Philanthropist?

Adapted by Tracey Fritz

Sing to the tune of "Are You Sleeping?"

Voice One: What is a philanthropist?

Voice Two: What is a philanthropist?

Voice One: Do you want to know?

Voice Two: Yes, I want to know!

Voice One: It's giving of your time,

Your talent,

And your treasure,

For the common good.

Voice Two: For the common good.

Dear Families,

We are learning about being philanthropists. A philanthropist is someone who gives their time, talent, or treasure for the common good. We have been learning this song to help us remember what a philanthropist is. You can sing this song at home. We can be philanthropists by doing simple acts of kindness, volunteering to help the community, and using our words to speak up against things that are not right. Please talk about this and come up with ideas together for ways to be a philanthropist.
