

# Why Some Countries Struggle

**Directions:** Research the following questions. Answer the questions and be prepared to discuss your findings with the class.

What emerging democracy are you investigating?

Where is it located (continent and surrounding geographical features)?

What is the major struggle for the people of this country?

What are some of the factors contributing to the poor conditions? (poor weather conditions, war, unstable government)

Name an organization that you think would be able to help this country. Explain how the organization could help.
