

# The Word for Me Is Philanthropy

I can give my time away,  
Be kind in what I do and say.

I can give my talent away,  
Helping and sharing come what may.

I can give my treasure away,  
Giving money is okay.

If you listen to what I say,  
Philanthropy is there in every way.

If you care about the common good,  
Philanthropy is understood.

Say it again! Say it loud!  
Philanthropy makes me proud!
