

Written Reflection

Directions: Think about your service-learning planning experience and complete a reflection/evaluation.

Paragraph One:

What are philanthropy and service-learning?

Paragraph Two:

Explain your roles in your service-learning planning project and the roles you would like to take on in the chosen class project.

Paragraph Three:

How will the chosen class project build a bridge between you and the community in which you will serve?

Paragraph Four:

Why is it important to be involved in a project like this?
